

3D[®]

**HIGH DEFINITION
CAR CARE[®]**

MADE IN THE USA

GREEN PRODUCTS FOR A BETTER PLANET

FAST

Good, Better and Best days are over...**FAST, FASTER, FASTEST** is the Future. We developed Adaptive Abrasive Technology™ (AAT®) with one goal in mind - "To beat the long standing industry leader"... and we did it!

AAT® is now the **FASTEST** body shop paint correction system in the World!

AAT® will correct P1200 sanding scratches up to 34% faster than yesterday's industry leader on any type of paint. Body shops will also be more profitable by using less sand paper and 2 to 3 fewer sanding steps.

What do we mean by **FAST, FASTER, FASTEST**? We think everyone deserves to have superior products. That is why we designed three compound and polish categories. Each will fit the budget needed and each will deliver the same flawless results. The only difference is how fast you need to get to the same superior hologram free, high gloss finish. Since we don't use fillers there will be no dye backs!

FASTER

The **ULTRA** line is **FAST** as most other compounds and polishes and yet very economical.

HD line delivers **FASTER** results than the **ULTRA** line.

Finally we have ultimate AAT®, this is the **FASTEST** body shop compound and polish in the world.

What makes 3D's Adaptive Abrasive Technology™ (AAT®) different from all other products on the market is exactly what the name implies. AAT® 501 Rubbing Compound™ and AAT® 502 Finishing Polish™ will adapt to and correct any surface, can be used with any machine, with any pad and in any climate. Due to its high performance, body shops can eliminate at least 3 to 4 steps.

We are very proud to offer our **FAST, FASTER** and **FASTEST** compound and polish trio. You will be amazed by the performance of these combos. You'll appreciate the time you save and the outstanding results all these products deliver - every time. 3D's success is tied directly to our culture of innovation.

FASTEST

AAT RUBBING COMPOUND 501 & AAT FINISHING POLISH 502

3D AAT 501® Rubbing Compound™ is the industry's first compounding polish with Adaptive Abrasive Technology™ (a multi-surface leveling agent that accelerates and enhances performance) with the ability to achieve "True Paint Correction" from P1200 grit sand paper. AAT 501 works up to 34% faster than the industry's leading compound. Specially engineered micro abrasives corrects virtually any cured or fresh painted surface; soft, medium, hard and next generation paints along with single stage paints. AAT 501 is easy to use, easy to clean-up, is sun friendly and has "No" harmful solvents or Kerosene.

3D AAT 502® Finishing Polish™ is the industry's #1 "Hologram Free" polish with Adaptive Abrasive Technology™ (a multi-surface leveling agent that accelerates and enhances performance). AAT 502 is especially engineered with NANO abrasive technology that effortlessly corrects virtually any painted surface leaving a hologram free, glass-like finish without adding fillers which eliminates the possibility of "dye-back." AAT 502 is easy to use and easy to clean up leaving the finest finish the first time, every time.

(Sanded with P1200 sand paper)

AAT BODY SHOP LINE

3D AAT RUBBING COMPOUND: 501

The industry's first compounding polish with Adaptive Abrasive Technology™ that delivers the FASTEST "True Paint Correction" from P1200 grit (or finer) sandpaper. AAT 501 is designed for the bodyshop industry, it's easy to use, easy to clean-up, sun friendly and contains "No" harmful solvents or Kerosene.

El pulidor # 3 de la industria, su tecnología "Adaptative Abrasive", que entrega la MAS RAPIDA y verdadera corrección de la pintura con lija P1200. AAT 301 está diseñado para la industria de talleres de chapa y pintura, es fácil de usar, fácil de limpiar, puede usarse bajo el sol y no contiene solventes dañinos o kerosén.

3D AAT FINISHING POLISH: 502

Industry's #1 "Hologram Free" polish with Adaptive Abrasive Technology™. Engineered to effortlessly correct light scratches, swirl marks and holograms giving virtually any painted surface a flawless finish the first time, every time!

El pulidor "sin hologramas" #1 de la industria, con su tecnología "Adaptive Abrasive". Diseñado para corregir sin esfuerzo rayaduras leves, hologramas y marcas, dándole a la pintura un acabado perfecto la primera vez, cada vez!

3D ORANGE DEGREASER: 109

A great interior and exterior organic cleaner and degreaser. Orange Degreaser™ is our ALL-IN-ONE cleaner with organic citrus "D-limonene" oil that helps remove the toughest stains, grease, oil, dirt and odors. Excellent for automotive, janitorial and home use.

Un excelente limpiador y desengrasante orgánico para interior y exterior. Orange Degreaser™ es nuestro limpiador todo en uno con cítricos orgánicos y aceite de naranja que ayudan a eliminar las manchas más difíciles de grasa, aceite, suciedad y los malos olores. Excelente para los vehículos, los negocios y el hogar.

3D PINK CAR SOAP: 202

A rich, pH balanced, super-concentrated liquid cleaning soap that produces dense stable foam to wash any vehicle. Designed to effortlessly remove dirt, grime and road film without dulling the vehicle surface. Rinses easily to conserve water and helps prepare the vehicle for polishing and waxing.

Un jabón de limpieza líquido enriquecido, con pH balanceado, súper concentrado que produce densa espuma estable para lavar cualquier vehículo. Diseñado para remover fácilmente la suciedad, polvo y residuos de las carreteras sin opacar la superficie del vehículo. Se enjuga fácilmente para conservar el agua y ayudar a preparar el vehículo para el ruido y el calor.

3D NON SILICONE DRESSING: 713

This silicone free dressing is 100% body shop safe and VOC compliant. It works excellent in hard surfaces including trim, vinyl, moldings, bumpers, engine and tires.

Este protector libre de silicona es 100 % seguro en la industria de chapa y pintura. Excelente en superficies duras que incluyen rebordes, vinilo, molduras, parachoques, motor y neumáticos.

3D SPRAY DETAILER: 503

Quick and easy way to remove fingerprints and buffer smears for a showroom shine. Works great on paint, glass, and chrome. Spray on cars that are not heavily soiled and wipe off with a soft, clean, dry cloth. For a instant deep gloss. Excellent lubricant for clay bars. Body Shop Safe.

La manera más rápida y fácil de eliminar las huellas dactilares y marcas de pulido para un brillo de exhibición. Funciona muy bien en pintura, vidrio, y cromo. Rocíe en vehículos que no están muy sucios y limpie con un paño suave, limpio y seco para dar un brillo profundo instantáneo. Excelente lubricante para las barras de plastilina.

3D GLASS CLEANER: 901

is an excellent alcohol-based glass cleaner that can be used to remove oil and smoke film from windows.

Excelente limpiador de vidrios a base de alcohol. Puede ser usado para remover capas acuosas, manchas de agua y residuos de humo de cigarrillo.

HD SPEED: 425

HD® SPEED™ is the ultimate "All-in-ONE" correcting, polish and wax paint protectant system. HD® SPEED™ has quickly become the go to, one step, polishing and protecting wax for both the Professional Detailers and DIY car care enthusiast that demands perfection, every time. HD SPEED™ will correct most light to moderate paint scratches with a DA or high speed rotary polisher and a moderate cutting foam pad. To achieve a show room shine this can be followed by applying HD® SPEED™ with a finishing foam pad. One product, one or two pads and the paint is flawless!

HD® SPEED™ combines Nano compounding, super micro cutting technology to correct most paint finishes. Its exceptional open time allows for better polishing and waxing with less use of product. "Use less, do more" with HD® SPEED™. Its durable long lasting Montan wax will darken the appearance and create depth for the ultimate wet-look high gloss finish. HD® SPEED™ works best in the shade but is sun friendly.

HD LINE

HD WASH: 425

HD Wash™ is a highly concentrated car shampoo designed to clean, maintain and renew the shine on your vehicle. Fortified with a blend of pH balanced polymers and European glossing agents that will gently and effectively clean the bodywork of your fine automobile while leaving behind a clear layer of protection.

HD Wash™ es un jabón concentrado diseñado para limpiar, mantener y renovar el brillo de su vehículo. La mezcla de polímeros con pH balanceados y agentes de brillo europeos elimina cualquier tipo de suciedad sin dañar el terminado de su vehículo. Al lavar su vehículo, deja una capa de protección que mantendrá la pintura brillante y suave.

HD TOTAL: 426

HD Total™ is an extremely versatile all-purpose cleaner and can be used on virtually any automotive surface. Special European super cleaning polymers gives the power to clean tough exterior jobs, like wheels and engines. Also gentle enough for interior cleaning like seats and carpet by diluting the cleaning strength with water.

HD Total™ Es un limpiador efectivo que puede usarse en cualquier tipo de superficie para automóviles. Los polímeros limpiadores permiten la dilución del producto para tareas de limpieza extrema en el motor o limpieza de sectores delicados como cuero y tela, permitiendo que el poder del químico se diluya con el agua.

HD GLASS: 432

HD Glass™ solution gives you crystal clear glass! You'll immediately see a clear difference between all other glass cleaners after using this unique product! HD Glass™, easy to use formula, is the simplest option to sparkling clean glass, mirrors & chrome.

HD Glass™ es la opción más sencilla para limpiar vidrios, espejos y cromo. Libre de amoníaco, HD Glass permite eliminar de forma rápida y fácil estos y otros contaminantes (incluyendo residuo de humo de nicotina) y a la vez deja una barrera invisible que extenderá la claridad de su vidrio.

HD TOUCH: 423

HD Touch™ is a unique, versatile Waterless Wash, Spray Detailer and clay lubricant in one. Its NANO-polymer formula dissolves dirt and grime while special lubricating agents lift particles for smooth cleaning without scratching the vehicle surface while adding a protective, glossy wax finish.

HD Touch™ es un producto lo suficientemente fuerte como para ser utilizado como un limpiador sin agua y lubricante de plastilina para remover contaminantes. Este producto contiene agentes que remueven el polvo, marcas de dedos y manchas, que deja un acabado de primera en cualquier tipo de pintura.

HD DRESS: 429

HD Dress™ is a versatile water-based protectant that is designed to shine, darken & protect exterior non-painted porous surfaces. HD® DRESS™ uses a unique no-sling formula that works excellent on tires! Special proprietary non-surfactant formulation means the shine lasts extremely long.

HD Dress™ es un protector en base de agua, diseñado para brillar, oscurecer y proteger las superficies exteriores no pintadas y porosas del vehículo. Este producto no grasoso funciona excelente en neumáticos, manteniendo el brillo por mucho tiempo.

HD METAL: 433

HD Metal™ is a powerful all-purpose metal polish that is safe for Chrome, Aluminum, Stainless Steel & other precious metal surfaces.

This versatile cleaner-polish can restore even the most oxidized, stained and marred metal to a flawless bright shiny mirror finish.

HD Metal™ es un poderoso pulidor de metales de uso múltiple que es seguro para el cromo, aluminio, acero inoxidable y otras superficies de metales. Este producto es perfecto para las ruedas, tubos de escape y el compartimiento del motor, puede recuperar incluso el metal más oxidado, manchado y desfigurado a un acabado de espejo.

FASTER HD CUT+ AND POLISH+

HD® CUT+™ and HD® Polish+™ are FASTER than every other compound and polish available, excluding AAT®. HD® CUT+™ advanced, non-diminishing compound is designed to level P1200 grit or finer sand paper FASTER on fresh or cured paint. The specialized NANO and Micro abrasive, lubricating technology allows HD® CUT+™ and HD® POLISH+™ to correct even the toughest paints. HD® POLISH+™ will deliver a swirl free, deep, high gloss finish that will remain after the vehicle is washed and cleaned.

HD CUT+: 430

HD Cut+™ advanced non-diminishing compound will quickly level P1200 grit or finer scratches from fresh or cured paint. Body Shop safe, emulsified with the latest NANO-abrasive, lubricating technology. Contains no wax or fillers. Use with rotary, dual action or forced rotation polisher, wool or foam cutting pad.

HD Cut+™ compuesto pulidor avanzado que nivelará rápidamente, con lija P1200 o más fina, las marcas en la pintura fresca o tratada. Es seguro en talleres de chapa y pintura. Emulsionado con tecnología de lubricación - NANO abrasivos, no contiene cera. Use HD CUT+ con máquina rotativa, u orbital y almohadilla de corte.

HD EXPRESS: 427

HD Express™ is a gloss enhancing polymer spray designed to maintain, renew and amp up the gloss of your vehicle. Our special Montan Wax formulation works great with existing surface protectants along with bare finishes. Use between washes to extend the longevity of your shine.

HD Express™ es un polímero diseñado para mantener, renovar y resaltar el brillo de su vehículo. La formulación especial de cera Montan funciona muy bien con los selladores de superficie existentes, así como acabados naturales. Útil entre lavados para prolongar la duración del brillo.

HD POXY: 422

HD Pox™ is a hybrid paint sealant/wax that has been designed to bond to the painted surface for protection and a long lasting durable shine. Its montan properties will darken the appearance and create depth for the ultimate wet-look shine. Works exceptionally well on all colors including black and dark color paints.

HD Pox™ es un sellador con nano polímeros que contiene cera, diseñado para unirse a la superficie de pintura para una protección y brillo duradero. Este producto contiene cera natural montan wax, que permite restaurar el color de la pintura y crear el brillo original. Trabaja excepcionalmente en todo tipo de pintura incluyendo colores oscuros y negro.

HD POLISH+: 421

HD Polish+™ has been scientifically designed to produce a dust free, swirl free, deep, high gloss paint finish. Using NANO Technology and super micro abrasives HD® Polish+™ is the most effective way to remove light to moderate paint defects for the highest shine possible.

HD Polish+™ Este producto está diseñado para producir un terminado de la pintura con alto brillo, sin dejar polvo o marcas de aplicación. Por su tecnología de nano polímeros y micro abrasivos, este producto es el mas efectivo en el mercado para remover correcciones de pintura ligeras.

HD SPEED: 425

HD Speed™ polishes and protects the painted surface in one easy and simple step. Removes light to moderate surface scratches and swirl marks. This remarkable product restores color, depth, and gloss while adding a long lasting wax to the surface.

HD Speed™ Remueve marcas ligeras y medianas, restaura el color de la pintura y deja un brillo perfecto mientras añade una capa de cera a la pintura. Su excepcional propiedad de apertura permite mayor tiempo de pulido y encerado usando menos producto.

HD FABRIC PROTECTOR: 916

This amazing, super hydrophobic product can be used on fabric, leather, suede, and many other materials. You can blot away any greasy or watery spills with an absorbent cloth or tissue. Water repellency can be restored to clothing as well. Will not change the feel, look or breathability of the fabric.

Este increíble producto puede usarse en telas, cuero, cuerina y otros materiales. Este producto crea una fuerte barrera de protección que penetra en el material aplicado y permite la limpieza de cualquier grasa o líquido con una simple toalla o microfibra. Este producto no cambiara la apariencia ni la textura del material aplicado.

HD NITRO SEAL KIT: 920K

HD Nitro Seal™ is a revolutionary two part copolymer paint sealant system that is designed to be applied on any painted, glass or non-porous surface. Proprietary European super-polymers cross-link and bond to the surface locking in an incredible look that will outperform any other sealant or wax on the market.

HD Nitro Seal™ es un sistema sellador revolucionario compuesto de dos partes, está diseñado para ser aplicado en cualquier tipo de pintura, vidrio o superficie no porosa, este sellador le dará resultados que nunca ha visto con ningún producto en el mercado.

BDX BRAKE DUST REMOVER

BDX: 117

This brake dust remover will thoroughly remove iron particles and fallout from automotive paint and wheels. This is the fastest, easiest way to clean almost any wheel. This simple spray formula instantly turns purple as it dissolves rust and fallout particles safely replacing the use of harsh chemicals such as acid. Rinse the wheel, spray on BDX™, and watch it work dissolving away the iron and dirt particles as it turns purple, rinse again and you're done.

- ACID FREE, pH BALANCED
- SAFELY CLEANS WHEELS
- DECONTAMINATES FALLOUT FROM PAINT
- SAFELY REMOVES RUST STAINS

DEGREASERS

3D GRAND SLAM: 100

Grand Slam™ is a strong degreaser that works excellent on engines, machinery, tools, tires, and floors. Grand Slam™ works fast to loosen and emulsify grease and grime for easy rinse. When used as directed, it is safe to use on virtually all painted surfaces.

Fuerte desengrasante, trabaja muy bien en motores, maquinarias, herramientas, neumáticos y pisos. Grand Slam™ rápidamente desprende y emulsiona la grasa, mugre y lodo haciendo que estos se enjuaguen fácilmente. Cuando se utiliza como se indica, su uso es seguro en superficies que contienen pintura.

3D ALL PURPOSE CLEANER: 104

A.P.C. is an interior and exterior automotive surface cleaner. It is highly effective for vinyl tops, carpets and upholstery. It is safe on all surfaces and 100% biodegradable. It is an excellent pre-spotter before washing car interior. This product is also excellent to clean dirty leather interior.

A.P.C. es un limpiador para superficies interiores y exteriores de automóviles. Es muy eficaz para limpieza de vinilo, alfombras, y tapicería. Su uso es seguro en todo tipo de superficies y es 100 % biodegradable.

Es excelente como pre-desmanchador de lugares críticos antes del lavado interior del automóvil. Este producto es excelente para limpieza de materiales de cuero.

3D YELLOW DEGREASER: 106

Yellow Degreaser™ is a highly concentrated degreaser that works excellent on tires, grease marks, and brake dust from tires and wheels. Works fast and effective on white walls. When used as directed, it is safe for all tires and does not leave any film. Eliminates hard scrubbing.

Yellow Degreaser™ es un desengrasante concentrado que trabaja muy bien en marcas de grasa y polvo de frenos en los neumáticos y ruedas. También trabaja rápido y efectivamente limpiando los neumáticos de paredes blancas. Cuando se utiliza como se indica, su uso es seguro en todo tipo de aros, no deja residuo y elimina una intensa restregación.

3D ORANGE DEGREASER: 109

A great interior and exterior organic cleaner and degreaser. Orange Degreaser™ is our ALL-in-ONE cleaner with organic citrus "D-limonene" oil that helps remove the toughest stains, grease, oil, dirt and odors. Excellent for automotive, janitorial and home use.

Un excelente limpiador y desengrasante orgánico para interior y exterior. Orange Degreaser™ es nuestro limpiador todo en uno con cítricos orgánicos y aceite de naranja que ayudan a eliminar las manchas más difíciles de grasa, aceite, suciedad y los malos olores. Excelente para los vehículos, los negocios y el hogar.

SPECIALIZED CLEANERS

BDX: 117

This brake dust remover will thoroughly remove iron particles and fallout from automotive paint and wheels. This simple spray formula instantly turns purple as it dissolves rust and fallout particles safely replacing the use of harsh chemicals such as acid.

Este removedor de polvo de los frenos eliminará completamente las partículas de hierro de las ruedas y superficie de su vehículo. Esta fórmula sencilla se convierte instantáneamente púrpura al contacto con el hierro, mientras las disuelve, reemplazando con seguridad el uso de productos químicos, como el ácido.

3D ERASER WATER SPOT REMOVER GEL: 107

Removes water spots from glass and paint with little effort. Will restore the optical clarity to glass and remove water spots on painted surfaces. ERASER's mild acid-based formula will break the bond formed between mineral deposits and the surface. Can be applied by hand or a foam, wool pad and polisher.

Con un mínimo esfuerzo este producto remueve las manchas secas de agua en los vidrios y carrocería, restaurando su claridad óptica. Esta fórmula basada en un leve ácido destruye la unión entre los depósitos de minerales y las superficies. Excelente en las ventanas de los túneles de lavado y en las puertas de duchas.

INTERIOR CLEANERS

3D LVP CLEANER: 112

3D's LVP Cleaner™ (Leather, Vinyl, & Plastic) is an organic green surfactant based cleaner that is designed to safely remove stains from interior surfaces. You can easily remove ink marks from leather and dashboards while emulsifying dirt and grease. It works miracles on synthetic leather.

Este limpiador orgánico de vinil, cuero y plástico está diseñado para remover manchas en cualquiera de estas superficies sin dañarlas. Podrá remover marcas de tinta de los asientos y el tablero. Permite que la grasa y suciedad se desprenda con facilidad y trabaja excelente en los cueros artificiales.

3D LIQUID LEATHER: 910

3D Liquid Leather™ cleans, conditions and beautifies leather in one step. Now with Mink-Oil to give an extra softness to leather.

3D Liquid Leather™ limpia, acondiciona, y embellece al cuero en un solo paso. Ahora con aceite de castor para dar más suavidad a la piel.

3D UPHOLSTERY SHAMPOO: 204

When extractors are not available, this high foaming carpet shampoo is the perfect alternative for hand applications. This lemon scented shampoo, cleans, deodorizes and brightens carpet and upholstery without leaving any residue.

Cuando extractores no están disponibles, este champú espumoso de alfombra es la alternativa perfecta para aplicaciones a mano. Este champú con perfume de limón, limpia, desodoriza y resalta la apariencia de las alfombras y tapicería sin dejar ningún residuo.

3D EXTRACTOR SHAMPOO: 204X

3D Extractor Shampoo™ is a low foaming carpet degreaser that cleans and deodorizes carpet and upholstery. Contains optical brightener to bring out the original beauty while leaving no residue. Designed to work with extractors for heavy-duty jobs. Jasmine scented.

3D Extractor Shampoo™ Es un jabon limpiador de alfombras que produce poca espuma y elimina olores. Tiene aroma a Jazmin.

Contiene abrillantador óptico que realza la belleza original sin dejar residuo alguno. Diseñado para trabajar en maquinas extractoras.

3D CARPET & UPHOLSTERY CLEANER: 205

3D Foaming Carpet & Upholstery Cleaner™ is a super rich foaming upholstery and carpet cleaning shampoo. 19 oz.

3D Foaming Carpet & Upholstery Cleaner™ es un shampoo espumoso muy fuerte para limpiar alfombras y tapicería. Envase de 19 oz.

3D TOWEL KLEEN: 108

3D Towel Kleen™ is a lemon scented, powerful, "low foam" laundry machine soap. Unlike powder soaps, will not retain residue inside the towel's fibers - thus eliminating streaks on windows. This will also extend the towels life while maintaining its softness. This product has excellent rinsing ability.

Es un poderoso detergente para máquinas de lavar, genera poca espuma y contiene aroma a limón. En comparación a otros detergentes, éste no retiene residuo dentro de las fibras de las toallas, eliminando así las marcas en las ventanas. Este producto extenderá la vida de las toallas, manteniendo su suavidad. También tiene una excelente habilidad de enjuague.

FAST 3D ULTRA COMPOUND & 3D ULTRA POLISH

3D's Ultra Compound™ and Ultra Polish™ is a FAST paint correction combination. Ultra Compound™ uses micro, non-diminishing abrasives to correct P1500 grit sand paper marks from most types of paint. Ultra Polish™ will remove medium to light scratches and oxidation without the need of fillers and deliver a swirl free, high gloss finish every time. Ultra Compound™ and Ultra Polish™ are not only very effective but are also very efficient and economical.

3D ULTRA COMPOUND: 435

3D Ultra Compound™ is a clear coat safe compound that works as a micro polish to remove spider webs, 1500+ grade or finer scratches as well as heavy oxidation and swirl marks.

3D Ultra Compound™ es una crema pulidora que trabaja en pinturas convencionales y con barniz. Este producto trabaja muy bien en rayones de lija de 1500+ o más finas, también remueve oxidación y marcas circulares de la pintura.

3D ULTRA POLISH: 437

3D Ultra Polish™ is a high-quality polish that will remove medium to light scratches, oxidation and swirl marks. It will not "cake up" on the pads and will buff easily leaving a smooth surface.

3D Ultra Polish™ Es un pulidor de alta calidad, remueve oxidación, micro-rasguños y marcas en forma de remolinos. Ultra Polish™ no se acumula en las almohadas de pulido y limpiará rápidamente cualquier superficie.

3D RENEW IT POLISH: 411

3D Renew It Polish™ will restore color to dull paints and works especially well on boats and rv's. It cleans, polishes and protects gel coats while removing oxidation. Outstanding on red, black and dark paints.

3D Renew It Polish™ es un componente pulidor que restaura pinturas sin brillo, especialmente trabaja muy bien en botes y vehículos recreacionales. Limpia, pule y protege, excelente en colores oscuros, rojos y negros.

3D ULTRA GLAZE: 434

High quality polish that will remove light scratches, swirl marks and oxidation and add a protective wax coating in one step. ULTRA GLAZE™ can restore color, and depth while adding a high gloss wax shine to painted surface of most vehicles. It's easy to put on and wipe off. Best when applied in a shaded area.

3D Ultra Glaze™ Es un compuesto pulidor de alta calidad, remueve oxidación, micro-rasguños y marcas en forma de remolinos. Ultra Glaze™ restaura el color añadiendo un alto brillo. Fácil de aplicar y quitar. Trabaja mejor en la sombra.

3D DEEP BLUE POLISH: 602

3D Deep Blue Polish™ is for heavy-duty cleaning of worn out metal. Deep Blue Polish™ will do the work. Excellent for brass, silver, chrome, gold, and copper. Works great on wheels and diamond plates, no ammonia or harsh chemicals.

3D Deep Blue Polish™ Para limpieza profunda de metales desgastados y oxidados. Excelente para el latón, plata, oro, cromo y cobre. Trabaja en rines y placas de lámina. No contiene amonía o químicos dañinos.

WAXES

3D CHERRY WAX: 906

3D Cherry Wax™ cherry scented. Will give the ultimate "wet look" and a deep gloss protection on all paints while helping to protect the paint surface from fall-out and sunlight. Highly recommended for dark cars.

3D Cherry Wax™ cera con fragancia de cereza. Le dará la mejor apariencia de mojado, y un brillo profundo a cualquier superficie de pintura mientras le ayuda a proteger la superficie de la misma. Altamente recomendada para vehículos de pintura oscura.

3D EXPRESS WAX: 401

One Step Liquid Wax. Can be used on conventional or clear coat paints. Leaves no buffer marks, powder residue or streaking on black cars. Hides swirl marks and light scratches. Can be used under the sun and on semi-wet cars coming out of a car wash tunnel.

Esta cera líquida puede ser utilizada en pinturas convencionales, le da la protección que necesita, no deja residuo alguno después de su aplicación y puede ser aplicada debajo del sol o inmediatamente cuando su vehículo sale de un túnel de auto lavado.

3D FINAL TOUCH: 403

Quick and easy way to remove fingerprints and buffer smears for a showroom shine. Works great on paint, glass, and chrome. Spray on cars that are not heavily soiled and wipe off with a soft, clean, dry cloth. Instant deep gloss. Maintains and protects the previous wax. Excellent lubricant for Clay Bars.

Forma rápida y fácil de remover huellas de dedos y marcas de residuos de cera, dejando la superficie del auto con un brillo parejo y profundo. Trabaja muy bien en pinturas, vidrios, y cromo. Debe rociarse en automóviles que no estén muy sucios y frotarse con toalla limpia y suave. Mantiene y protege un encerado previo. Excelente lubricante para barras de plastilina.

3D CARNAUBA WAX: 908

3D Carnauba Wax™ is an ultimate finish wax. It is a pre-softened wax which brings out the wet look on any painted surface. Highly recommended for any color paint. 3D uses the finest grade of carnauba which is the hardest and best known wax substance delivered from a special Brazilian tree.

3D Carnauba Wax™ es una cera pre suavizada para el acabado final que realza la apariencia mojada en cualquier superficie de pintura. Altamente recomendada para cualquier color. Es el grado más fino de carnauba, la cera más durable y mejor conocida, derivada de un árbol especial Brasileño.

3D CARNAUBA PASTE: 412

3D Carnauba Paste™ is a pre-softened paste wax. It is a special blend of carnauba wax and silicones. This wax is safe for all clear coats and conventional finishes. Excellent water beading. Will not leave any powder residue or streak marks.

14 oz

3D Carnauba Paste™ es una cera pre suavizada en pomada para el acabado final. Contiene una mezcla especial de cera de carnauba y silicones. Esta cera es segura para todo tipo de pinturas. Excelente deslizamiento de agua. No deja ningún residuo de polvo o marcas de rayas.

MEDIUM GRADE

G-09P
HEAVY GRADE

3D BLUE CLAY BAR: G-09B

3D PURPLE CLAY BAR: G-09P

Regardless of how clean you think your paint is, there is a lot of contaminants bonded to the surface of your car that you need to remove before waxing or polishing. Clay bars leave behind an ultra smooth-as-glass feel to your paint, making the wax much easier to remove, reducing "elbow grease" substantially. Clay bar safety traps and lifts off all the airborne contaminants. Best if used with our clay lubricant Final Touch™. Follow up your work with your favorite 3D Wax.

3D TRIM CARE PROTECTANT 711	•					

3D TRIM CARE PROTECTANT: 711

3D Trim Care Protectant™ Thick polymer protectant designed to restore and protect the original look of bumpers, trim, and rubber molding.

3D Trim Care Protectant™ Diseñado para restaurar y proteger la apariencia original de las defensas, tableros, y molduras de hule o plástico.

TIRE, VINYL & TRIM PROTECTANTS 3D

3D MAGIC BLUE: 703

This solvent-based dressing is not water soluble. Excellent exterior dressing. Will give high gloss to tires. Protects and beautifies vinyl and other parts of the car. Watermelon scented.

Producto hecho a base a solventes, no es soluble en agua. Excelente capa protectora para uso en exteriores. Da un alto brillo a los neumáticos. Protege y embellece vinilo y partes plásticas del vehículo. Fragancia de sandía.

3D ULTRA PROTECTANT: 706

Ultra Protectant™ is a water based dressing that leaves a long-lasting high gloss shine on tires. It is a spray on formula that also protects and beautifies vinyl surfaces.

Ultra Protectant™ esta hecho a base de agua. Deja un brillo duradero en las llantas o neumáticos. Su fórmula líquida para aplicar con atomizador sirve también para proteger y embellecer superficies de vinilo y hule.

3D ULTRA THICK PROTECTANT: 707

Ultra Thick Protectant™ is a water based thick dressing that leaves a long-lasting high gloss shine on tires. It is a wipe on formula that also protects and beautifies vinyl surfaces.

Ultra Thick Protectant™ esta hecho a base de agua. Deja un brillo duradero en las llantas o neumáticos. Su fórmula en crema para usar con aplicadores o cepillos sirve también para proteger y embellecer superficies de vinilo y hule.

3D UNIVERSAL DRESSING: 708

Need a quick Shine? This cost effective non-greasy water-based dressing is perfect for bringing the luster back to interior and exterior trim. Works well on tires, plastic trim, leather and vinyl to quickly give the appearance of new life to dull surfaces. Works great on engines!

¿Necesita un brillo rápido? Este protector efectivo a base de agua que no contiene grasa es perfecto para resaltar el brillo del interior y exterior. Funciona bien con los neumáticos, molduras de plástico, cuero y vinilo para dar rápidamente la apariencia de una nueva vida a superficies mates. Excelente para motores!

3D UNIVERSAL PROTECTANT: 709

Water-based protectant that is best applied by brush or applicator to protect and beautify interior and exterior trim. Great for rubber, plastic, vinyl and leather, this versatile product is non-greasy with high gloss. Excess product can be easily removed from the body of the vehicle.

Protector a base de agua que se aplica mejor con cepillo o aplicador para proteger y embellecer el acabado interior y exterior. Ideal para el caucho, plástico, vinilo y cuero, este versátil producto no contiene grasa y es de alto brillo. El exceso del producto se remueve fácilmente del vehículo.

3D THICK DRESSING: 710

This super thick all purpose dressing is ideal for hand applications to interior and exterior rubber, plastic, vinyl and leather. Applying with a brush or sponge applicator is ideal for this gel like product to protect and bring back to life dull surfaces. 3D Thick Dressing wipes clean leaving a high shine and prevents dust collection.

Este producto ultra denso de uso múltiple es ideal para aplicaciones a mano para el interior y exterior de caucho, plástico, vinilo y cuero. Aplicar con un cepillo o una aplicador de esponja, es ideal para proteger y revivir la apariencia de superficies mates. 3D Thick Dressing se limpia dejando un alto brillo y evita la acumulación de polvo.

3D INSTANT SHINE: 915

Instant Shine is the fastest and easiest way to make the trim on your vehicle look its best. Simply spray-on this long-lasting coating. It instantly makes even faded trim look brand new. Instant Shine is preferred by professional detailers, finicky car collectors, dealers, and other auto enthusiasts.

Este producto le permite, de la manera mas facil y rapida, restaurar la moldura de su vehículo. Simplemente aplique el spray de esta cobertura de duracion prolongada y vera resultados instantaneos, este producto revive hasta las molduras mas viejas. Instant Shine es el producto preferido de los profesionales, coleccionistas, y de los fanaticos mas entusiastas.

3D[®] GLASS CLEANER & AIR FRESHENERS

3D 50 TO 1 GLASS CLEANER: 900

3D 50 to 1 Glass Cleaner™ is a highly concentrated, alcohol-based glass cleaner. 1 gallon makes 51 gallons of Ready-to-Use Glass Cleaner.

Limpiador de vidrios basado en alcohol y altamente concentrado. Con 1 galon se preparan 51 galones listos para su uso.

3D GLASS CLEANER: 901

3D Glass Cleaner™ is an excellent alcohol-based glass cleaner that can be used to remove oil and smoke film from windows.

3D Glass Cleaner™ es un excelente limpiador de vidrios a base de alcohol. Puede ser usado para remover capas aceitosas, manchas de agua y residuos de humo de cigarro.

3D GLASS CLEANER: 902

3D Glass Cleaner™ is an excellent foaming spray that cleans and polishes windows without streaking. 19 oz. Spray Can.

3D Glass Cleaner™ es un excelente rociador espumoso que limpia y lustra ventanas sin dejar rayas. Envase de 19 oz.

3D ODOR ELIMINATOR: 913

Will eliminate odors from vomit, food, pets, smoke, plus many, many others. 3D Odor Eliminator™ digests bacterial particles which neutralizes the odor, adding a pleasant fragrance.

Also recommended for hospitals, schools, homes, kennels, rv's and more.

Elimina los olores de vómito, comida, mascotas, humo, etc. Su acción digiere partículas bacterianas mientras que su agradable fragancia neutraliza inmediatamente los malos olores. Se recomienda su uso en hospitales, escuelas, hogares, y vehículos recreacionales.

3D AIR FRESHENERS: 911001

3D offers Air Fresheners which add a fresh scent to any vehicle without over whelming you with fragrance. Now longer lasting. Here's the 15 most popular fresheners.

3D ofrece fragancias que dan un olor fresco a cualquier vehiculo sin ser muy penetrante. Ahora con mas aroma y disponible en 15 variedades.

INSIDE FLEX POLISHERS

L - 41 / FLEX PE 14 - 2 150
6" Compact

- Compact variable-speed polisher with high torque.
- VR electronic control: stepless speed selection, tachogenerator controlled constant speed, overload protection, restart inhibit and temperature monitoring.
- Powerful 1400-watt motor with highly-efficient ventilator for optimum cooling.
- Continuous speed control trigger: for a gentle start, starting speed at Setting 1 (380 - 600 rpm) and a lock-on for continuous operation.
- Optimized air ducting for optimum cooling of motor and gear. No annoying exhaust air for the user.
- Innovative combination of planetary and angular gears reduces noise to an absolute minimum.
- Flat gear head reduces distance to the surface. The machine can therefore be operated safely in any position.
- Grip hood: ergonomically shaped with SoftGrip. The Machine can be controlled with precision and is always comfortable yet secure to hold.
- Spindle lock: it is ideally positioned to prevent operating error and does not interfere with the grip area.
- With rubberized backing to protect machine and work surface.
- 10' power cord.

L - 40 / FLEX PE8 - 4 80
3" Rotary Polisher

- Lightweight-Portable-Rotary Polisher.
- VR electronic control: stepless speed selection, tachogenerator controlled constant speed, overload protection, restart inhibit and temperature monitoring.
- Spindle lock-positioned to prevent operating error and does not interfere with the grip area.
- 10' power cord.
- Industry leaders have said "Precision buffing, surgical buffing".

L - 33 VRG / FLEX L 3403 VRG
6 - 1 1/2" Variable Speed Polisher

- Polisher with continuous speed control trigger.
- VR microprocessor control: with tachogenerator constant speed control, soft start, continuous speed control trigger, restart protection after power failure, overload protection, temperature monitoring and speed selection.
- Extended speed range.
- High-powered motor: can handle extrem loads.
- Ergonomic design.
- Slim shaft grip with ergonomic ball handle for optimum handling and fatigue-free polishing.
- Spindle lock.
- 10' power cord.

L-33 / XC 3401 VRG
Orbital Polisher

- Positive-drive rotary-orbital polisher.
- VR microprocessor control: with tachogenerator constant speed control, soft start, continuous speed control trigger, restart protection after power failure, over-load protection, temperature monitoring and speed selection.
- 5/16" orbit for high efficiency.
- Permanent direct drive for an even polished surface.
- Cushioned special hook and loop pad for polishing.
- Removable, ergonomic handle and guard for optimum handling in all applications.
- Low heat generation on the surface makes it ideal for temperature sensitive paints.
- Counterweight for smoother operation.
- Low height and low weight.
- Spindle lock.
- 10' power cord.

L-35-HD
HD Polisher

- HD SPEED Dual Action Orbital Polisher
- Light weight and easy to use.
- This is a must have, efficient polisher for the professional detailer or DIY enthusiast.
- 8MM throw
- Speed 2000 - 6000 OPM
- Spindle thread 5/16" - 24 UNF
- Voltage 120V, 60HZ, 6 Amps
- Cord, 12 gage, 10 ft.
- 6 variable speeds
- Pair of carbon brushes
- Comes with 5.5" hook & loop backing plate

ORDERING, PRIVACY, AND RETURN POLICIES

To place an order: Call us, toll-free at 888-999-SOAP (7627)

Overseas customers can call us at 661-250-2020.

We are available Monday-Friday from 8:30 am to 5:00 pm PST.

You can also place your orders by fax to 661-250-7373. Customers ordering by phone, fax, or e-mail may be required to sign an order confirmation receipt before the order can be completed. We accept Visa, MasterCard, American Express, Check by phone, and online checks. For your protection, personal checks and large purchases may require proof of ID. When paid by check, orders could be delayed until clearance from your financial institution.

Questions about your order?

We are available Monday to Friday from 8:30-5:00 pm PST or you can e-mail us at sales@3dproducts.com.

Shipping and freight:

Internet orders will be shipped via UPS ground or truck by the end of the next business day. (SUBJECT TO AVAILABILITY)

Overnight service and 2nd day shipment is also available at an additional cost. Please contact us for details. Drums, specialty items and orders over 250 lbs will be shipped via LTL carrier. All freight charges are the responsibility of the customer and will be billed on the invoice. Shipping charges are non-refundable, and it is the buyers responsibility for paying any freight charge incurred by refused shipments and unclaimed goods.

Returns:

If you want to return any merchandise or received items in error, contact our customer service department for an RMA# (Return material authorization number), and UPS call tag. Customer is responsible for the shipping of returned items except when items received are incorrect or damaged. No returns will be accepted for merchandise that has been damaged by customer misuse or negligence. Returns requested after 10 days from purchase date will be subject to a 25% restocking fee. No returns after 30 days.

Money back guarantee:

If you are not 100% satisfied with our products, you may return it for credit. (Excluding aerosols) There is no cash refund for returned items. A credit will be applied to the customer's account. You may use this credit to purchase any merchandise. Previously exchanged merchandise may not be returned for a second exchange or credit.

Warranty:

Some equipment may be covered by a Manufacturer's Limited Warranty. Warranty work is not done by 3D International and must be repaired by an authorized service center and we will be happy to help you find the location nearest you.
